

Project Demo Planning

Date	12 July 2026
Team ID	6a2fbf036b1ed0bd8fa789aa
Project Name	AI Powered Debt Relief & Financial Recovery Platform
Maximum Marks	1 Mark

Project Demo Planning:

A well-structured demo plan ensures that the team presents the project effectively, covering all key aspects in a clear and organized manner. This document outlines the plan for demonstrating the project, including the flow of the demo, key features to highlight, and responsibilities of each team member.

S.No	Demo Section	Description	Duration (mins)	Responsible Member
1	Introduction & Problem Statement	Introduce the team and explain the borrower debt crisis the platform addresses.	2	Member A
2	Login & Registration Walkthrough	Show borrower sign-up and JWT-secured login on the live application.	1	Member B
3	Loan & Financial Health Dashboard	Add sample loan details and walk through the EMI ratio, surplus, and debt stress score.	3	Member C
4	AI Settlement Prediction Demo	Request and review an AI-generated settlement recommendation for a sample overdue loan.	3	Member D
5	AI Negotiation Letter Generation	Generate and download a Gemini-powered negotiation letter for the sample loan.	3	Member E
6	Q&A; and Closing	Summarize impact and future roadmap, then open the floor for audience questions.	3	Member F

Total estimated demo duration: 15 minutes

Demo Flow Summary:

Step	Activity	Notes
1	Introduction & Problem Statement	Briefly cite debt-stress statistics and borrower pain points before introducing the solution.
2	Solution Overview	High-level walkthrough of the architecture and key modules (Financial Health Engine, AI Negotiation).
3	Live Feature Demonstration	Cover login, loan entry, settlement prediction, and negotiation letter generation live, in that order.
4	Q&A; Session	Reserve the final 3–5 minutes for audience questions; team members ready to address both technical and business questions.
